Member Spotlight

I graduated from Midway High School in 1940, received an A.B. degree from Transylvania College, then joined the U.S. Cadet Nurse Corps at Vanderbilt University during WW II, receiving B.S. & RN degrees in nursing. As the war was ending, I returned home and became employed as nurse/secretary to two Lexington surgeons, remaining with Dr. Richard Crutcher for 31 years. Upon his retirement, I "changed gears", and was secretary/bookkeeper at Parrish Hill Farm for 7 years.

During my 84 years in Midway (never having married), I became involved in various community activities, but MCC was my special interest. I was baptized at age 12, later began teaching Sunday school for the kindergarten children.

I was church Treasurer for 11 years, Deacon 1 year, Trustee 5 years, and active in Disciples Women since 1947. I attribute my loyalty to this church to my parents who were closely associated with each of our ministers.

A Pastoral Word

Our church year is wrapping up and what an exciting year it has been!! We as a church voted and adopted a new vision statement and a new mission statement. And the Visioning Team continues to meet to come up with an operational plan that will “free” us up to do the ministry and mission of Welcome. We held two events for Ten Thousand Villages: one at our Fall Festival and one during the Christmas season in Georgetown. Midway Christian Church has started a children’s choir. Our handbells have been refurbished, thanks to the Memorials Committee. I know the Handbell Choir is anxious for Christmas time to come around so they can try out their “new” bells. Amanda has started a Chi Rho program and is looking forward to another successful community VBS! We held a baby dedication for Elaine Elizabeth, our first baby dedication in about 4 years. (My first baby dedication as a minister!)

We are hosting at least 3 weddings this year, including our very own, Jeanne Sturgill and Ray Clark’s wedding. Our Men’s group hosted as successful and fun Election Day Pancake Breakfast. Disciples Women hosted a lucrative Rummage Sale. We got new chairs for the Fellowship Hall, thanks to the Memorials Committee and the Disciples Women. We hosted a fantastic Epiphany Dinner, thanks to Ouita’s leadership and dedication. And we are getting calls wanting to know if we are hosting the Epiphany Dinner next year!

We continued to do mission work at the Hope Center and we adopted a family during Christmas time. The Keenagers Group continues to eat our way across KY while our children and youth meet monthly for fun activities.! Our church has been approved for a KY Historical Highway Marker and we are gearing up for our 165th anniversary next year. We had a fun and lively Fat Tuesday Celebration and No-Talent Show, hosted by our Men’s Group. We as a church hosted a moving Community Maundy Thursday Service.

Whew! I am tired just thinking about what all we did this past year! Throughout the year, we as a church worshipped together, fellowshiped together, did mission projects together, and learned about God’s word for us as God’s people. And these are just the highlights! I know that all of us as members of Midway Christian Church are involved in the community and other various ministries in our own ways. And it is great to think about all the things this church accomplished over the past year and it is exciting and inspiring to think about where God will lead us over

the next few years. God has something special planned for this church and I am thankful to be on the journey with you!

As our church year comes to a close and we begin to prepare for a new one, the leaders of this church have been working to come up with new ways that we as a church can better communicate and continue to grow as a family of faith. So the leaders of the church are planning on hosting “Town Hall” meetings once a quarter for the congregation to come together, eat lunch, and hear what is going on at church. Our first one will be Sunday, June 29th at our annual congregation meeting where we will elect new board officers, elders, and deacons and approve our next year’s church budget.

Another way that the leadership of this church is looking to grow together in faith is to host an All-Church Retreat at Camp Wakon Da Ho the first weekend of October. It will be a great time to fellowship together, worship together, do service projects together, and most importantly, hear God’s word for us as God’s people. So please mark your calendar and join us for this fun weekend!

So as we enter our new church year, may we remember that God has guided us in the past, God continues to guide us in our present, and will always guide us in the future! I just can’t wait to see what God has planned for us next year!

We Recycle!

As part of our awareness of our relationship to God's creation, we are becoming more conscious of our responsibility for care and conservation of resources in our lives and around our church. There are many things we can do to be environmentally responsible and we want to keep adding to our lists. Here are a few things to consider:

- Rhonda and Heather recycle paper in the church office;
- there are recycle bins in the kitchen next to the dishwasher for paper, plastic containers (numbers 1 & 2), and cans (glass is not collected for recycle in Midway);
- use our china plates for church meals, when possible;
- when disposable tableware is needed, use biodegradable products rather than styrofoam, etc.
- yard waste is put out for the city to pick up rather than going in the landfill with trash;
- the new furnaces and air conditioning units installed last year as part of the Future of the Faith conserve energy and save money!

You are invited to participate in these ways of recycling and to identify other ways of recycling and conservation around the church.

Community Notes

As many of you may have seen in the recent additions of the Disciples World magazine, Michael Kinnamon has been writing articles about the 12 markers we as a denomination have discerned as God's calling for us as people of faith in this ever changing world. This conversation began back in July 2007 when our General Minister and President, Sharon Watkins put together an advisory team to vision our denomination for the future. "Many long-time Disciples worry that we may be losing crucial characteristics of our common life. New Disciples want to know about the distinctive gifts of this community of faith. All of us need to have clarity about who we are in order to be faithful and effective witnesses to Jesus Christ. And so, we offer a succinct statement of identity, under girded by twelve distinct principles of what it means to be a Disciples of Christ." (taken from www.disciples.org21cvt/docidentity.html.)

Who we are : We are Disciples of Christ, a movement for wholeness in a fragmented world. As part of the one body of Christ, we welcome all to the Lord's Table as God has welcomed us."

Marks (Principles) of Identity:

- 1) We confess that Jesus is the Christ, the Son of the Living God [and proclaim him Lord and Savior of the world], requiring nothing more - and nothing less - as a basis of our life together.**
- 2) We hold the centrality of scripture, recognizing that each person has the freedom - and the responsibility - to study God's Word within the community of the church.**
- 3) We practice the baptism of believers, [stressing] that the way of Christ is costly and, as part of the whole body of Christ, recognizing other forms of baptism.**
- 4) We structure our community around the biblical idea of covenant, emphasizing not obedience to human authority, but accountability to one another because of our shared obedience to Christ.**
- 5) We gather as often as possible for the Lord's Supper, experiencing at this table - open to all who believe - the grace of Jesus Christ, the love of God, and the communion of the Holy Spirit.**
- 6) We participate in God's mission for the world, working with partners to heal brokenness, reconcile divisions, and bring justice to the whole human family.**
- 7) We hear a special calling to make visible the unity of all Christians, proclaiming that in our diversity we belong to one another because we commonly belong to Christ.**
- 8) We witness to the Gospel of God's saving love for the world in Jesus Christ, while continuing to struggle with how God's love may be known to others in different ways.**
- 9) We affirm the priesthood of all believers, rejoicing in the gifts of the Spirit - including the gift of leadership - that God has given for the common good.**
- 10) We celebrate the diversity of our common life, recognizing our different histories, styles of worship, and forms of service.**
- 11) We give thanks that each local congregation, where Christ is present through faith, is truly the church, affirming as well that God's church and God's mission stretch from our doorsteps to the ends of the earth.**
- 12) We anticipate God's coming reign, seeking to serve the One whose loving dominion has no end.**
