Surfing The Edge Feedback Seminar

Saturday, February 11th, 9:00—3:00, Fellowship Hall

It has all lead up to this moment! The Guiding Team encourages **ALL** members of Midway Christian Church to attend the feedback Seminar on Saturday February 11. **It will be from 9 a.m. until 3 p.m. in the fellowship hall with a lunch break.** The purpose of the feedback seminar is to walk everyone through the report on the Congregational 360. This report will provide our congregation with a set of information and analysis tools that represent a photograph of how various groups in the congregation view its readiness for a mission-shaped engagement. The photograph will assist us in developing awareness and give us a great starting point for dialogue about the direction we are taking together as we proclaim the Kingdom of God in our midst. Please make every effort to attend. This is a vital step in our Surfing the Edge process and we need everyone's participation.

Epiphany Feast 2012

Malcolm McGregor led the parade at the Epiphany Feast on January 6th at Midway College to a sold-out crowd. Chef Ouita Michel's *delicious* menu packed the house once again.

The Center for Old Music and the Madrigal Singers from First United Methodist Church in Frankfort (in *gorgeous* costumes) provided entertainment with a medieval flair. Father Daniel Fister from St. Francis of Assisi Church in Pikeville spoke on the meaning of Epiphany.

Lenten Study

Beginning on Tuesday, February 28th at 6:30 p.m., everyone is invited to participate in our Lenten Study. We will be reading the book, "Wisdom Distilled from the Daily: Living the Rule of St. Benedict Today."

Why St. Benedict? Benedict lived during a time when the world was fragmented: pagan armies were on the march, the Church was torn apart by schisms, and people were suffering from war and loss. And he was fascinated by the monastic life. He left Rome to become a hermit, pulling away from everything and everyone, but something seemed missing. He

realized that religious life is social, where the community of God lives together, works together, prays together, and yes, eats together!

The gift that St. Benedict gave to the church all those years ago is his book "The Rule" and it still has relevance today. "The Rule called the class-centered Roman world to community and calls us to the same on a globe that is fragmented. The Rule called for hospitality in times of barbarian invasions and calls us to care in a world of neighborhood strangers. It called for equality in a society full of classes and castes and calls us to equality in a world that proclaims everyone equal but judges everyone differently. The Rule shows clearly that the living of the gospel life is not an individual enterprise of private whim and flights of personal fancy, but a conscious gathering of the wisdom of others who can encourage us and help us scrutinize our own choices for their value and their valor."

Books are \$11 and can be picked up in the church office. Checks can be made out to Midway Christian Church with "Lenten study" in the memo line.

Kingdom Living: Centering Our Lives on God and Serving One Another

"[Kingdom Living] is more than churchgoing. It is possible to go to church and never develop an understanding of the Kingdom of God. [Kingdom Living] is the way in which we express a living faith in a real world. [Kingdom Living] is the sum total of the attitudes and actions that define our life of faith."

- Joan Chittister

As people of faith, we are called to recognize that the Spirit of God is among the people of God, and that the Spirit of God is still working, still creating, still transforming our community and our world. And the wonderful part about it all is that we, as beloved children of God, are called to be partners in this amazing transformation.

Kingdom Living encourages all of us to open our eyes to see where God is already working in our communities. Kingdom Living inspires us to become the people that God created us to be by creating opportunities for God's grace to connect daily with our seemingly ordinary lives, by reminding us that we are responsible to and for each other, and by actively and continually growing in our relationship with God.

We will be using our Surfing the Edge text, Luke 10: 1-12, as one of our guides as we take a look at how the principles of the Kingdom of God (community, relationships, listening, praying, awareness, and stability) move us out of the darkness and into a transformed life filled with joy, which is the whole purpose of the season of Lent!

All elders, deacons, and committee chairs are encouraged to attend Board Meetings.

Fat Tuesday Celebration - Tuesday, February 21st

Please join us for PANCAKES on Tuesday, February 21st at 6:30 p.m. for our annual Fat Tuesday celebration. Fat Tuesday is also known as Mardi Gras. Mardi is the French word for fat while Gras is the French word for Tuesday. Fat Tuesday also marked the beginning of the 40-day Lenten fasting period when the faithful were forbidden to consume meat, butter, eggs or milk. So why pancakes?

Tradition has it that if a family had a store of these foods they would certainly spoil by the time the fast ended on Easter Sunday. So what to do? Use up the milk, butter and eggs no later than Fat Tuesday. And so, with the addition of a little flour, the solution quickly presented itself: pancakes!

Kids in the Kitchen: Love Feast

Sunday, February 12th

When the New Testament Church met, they shared fellowship, worship and food. They enjoyed a Common Meal together, which eventually was transformed into what the Church has come to call the Eucharist, or the Lord's Supper, or Holy Communion. We are going to go back to those earliest times, to share in another part of the Common Meal, which we call the Love Feast or Agapé. The Love Feast is rich in tradition, symbolism, and Christian community. It is a service in which we share food and fellowship and come together as members of one family united in love. It is a celebration of God's love for all of us and a way to experience that love anew in our lives. Our Love Feast will be on Sunday, February 12th as our Kids in the Kitchen. Children and Youth are invited to come at 3:30 p.m. and dinner is at 6:00 p.m. Everyone is invited to attend.

Thank You from Heifer International

"Thank you so much for your generous gift to Heifer International, where it has already been put to work toward igniting transformation in families and projects all over the world. While it's winter here at home, thousands of families around the world are entering into their summer harvest, with an abundance of fruits and vegetables for the first time ever, thanks to the gift of livestock and training in their care. A new confidence in sustainable livelihoods allows project participants to grow ever more self-reliant, rather than face hopelessness and defeat. Best of all, through our cornerstone Pass on the Gift, another family will receive the animals and training they need to start a powerful and life-changing journey of their own. Thank you for making this possible." - Pierre Ferrari, President/CEO

Scarves/Shawls Needed for Women in India

We received this in an e-mail from Rev. Judy Stallons, Midway United Methodist Church:

Dear Friends,

My younger sister, Susie, is heading on a solitary medical mission trip to India. She will be volunteering in the Mother House established by Mother Teresa as well as an affiliated leprosy house. It is her hope to collect 100 scarves or shawls to give as gifts to the women of India. If you would spread the word in your congregations, I would deeply appreciate it. The scarves or shawls may be delivered to the parsonage or the church before February 14th so that I have plenty of time to ship them to her before she leaves. If you know any others who might be willing to send a scarf/shawl please forward this on to them as well. I've included Susie's letter below:

This is a call for help from the sisterhood: I leave for Calcutta, India in 40 days. I am getting very anxious for the trip and am gathering supplies. I need scarves and shawls. Can you help?

When Paul and I went to Kenya, friends had helped to donate 97 scarves/shawls. It was so much fun to walk along and hand them out to the ladies in the poverty stricken areas. They were so surprised to be receiving a gift - for no reason. One elderly lady was walking down the street towards us with a stick to steady her gait. We stopped and handed her a shawl. Shawls are wonderful because they are used to carry things as well. She looked at it in her hands then up at me with a questioning gaze. She did not understand it was a gift. When she figured it out she brought both hands to her face and screamed with glee. She said over and over, "Asanti sana" - thank you. She opened it up appreciating it even more. We walked away saying how sweet her reaction was. We stopped and turned around to see if we could still see her. She was stopped in the middle of the road turning to look at us. She was waving and yelling, "asanti sana."

Our church and sister church have posted it in the bulletin. It simply says: Susie will be taking a trip to Calcutta, India from March 2 - 16 to work in one of Mother Teresa's legacies. If anyone has scarves or shawls they are no longer using, please bring them to the church. Susie will be collecting them as she prepares for this trip.

Or....ask girlfriends if they have any scarves/shawls tucked away they are not using any more. I am hoping to get over 100 this trip.

Thanks Ladies,

Heartfelt hugs,

Susie

**Please bring scarves and shawls to the MCC Narthex by Sunday, February 12th,
and we will see that she gets them!**
