Endowment Fund Proposals Due

As stated in the Mission Endowment Fund Policy, the primary purpose of the Fund is "to expand the witness and mission of Jesus Christ, serving human needs in our community and around the world." In keeping with this purpose, the policy allows an annual withdrawal for outreach-related improvements, equipment or programs. Written requests from the congregation (for outreach projects which are not already included in the church annual budget) for the Mission Endowment Fund need to be submitted by May 15. The requests will be reviewed by the Trustees who will make recommendations to the Midway Christian Church Board, which will have the final approval of the projects funded.

The office will be

New Sunday School Series Starts Sunday, May 1

"Problems in the church are nothing new; the book of Acts is full of them. In *We Are the Church...*, Pevey offers encouragement that today's church can truly be a transformative presence in the world, just as the early church was in the book of Acts.

While some feel the church is a social club with little impact on the world, that very idea runs contrary to God's plan. In *We Are the Church... Let's Act Like It*, Pastor Linda Tower Pevey offers churches practical and biblical ways to live out their mandate to make disciples and make a positive impact on their community and the world."
